23: Acuña--160 T-3 (1639) 1698 Tupinamba-
116, 439, 135, 609

"They further told us, that themselves had been a long time at Peace with another Nation, whose Confines extend to those we have just spoken of, and had a regular Trade with 'em for all Commodities, wherewith either Countrey abounded; and that the principal thing they had from this People was Salt, for which they gave 'em other things in exchange; and that this Salt came from a Place not far distant from 'em."
